

# Christmas Term

There are a lot of special celebrations during the Christmas term.

We start off with Halloween. We carve Pumpkins and have a

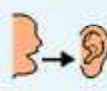

party in the hall. In November we often have a bonfire to

celebrate guy fawkes. We don't usually have fireworks as they

are too loud. On the 11th November we remember St

Martin. We make lanterns, listen to the story of St Martin,

sing songs and go for a walk around the estate with our

lanterns. At the beginning of Advent we have our advent

garden in the hall. This is a very special celebration as we

prepare for Christmas. For the end of term festival we perform a

Christmas pageant which is put together by the whole school.
